ARIES (March 21 to April 19) Congratulations, Lamb. The end of the month brings good news in the workplace, thanks to all the efforts you've made to get your projects off the ground and running.

TAURUS (April 20 to May 20) Don't let yourself be cowed into thinking that you're not up to the challenge you've taken on. Keep reinforcing your self-confidence. No one and nothing can stop you.

GEMINI (May 21 to June 20) Positive responses to a recent workplace move should give you the added assurance that you're on the right track. Celebrate the good news with family and/or friends.

CANCER (June 21 to July 22) There's still a little emotional fuzziness you have to work through before you can feel really certain about your recent decisions. But you're on the right track. Stay with it!

LEO (July 23 to August 22) You're tempted by an offer that seems close to what you've been looking for. But before you pounce on it, see if you can coax out some added perks to sweeten the deal.

VIRGO (August 23 to September 22) Your efforts to settle a volatile situation should prove to be successful. Now could be a good time to analyze what might have created the problem in the first place.

LIBRA (September 23 to October 22) A once-close associate reemerges with news that could cause you to reconsider a recent decision. But don't make a move before consulting a trusted adviser.

SCORPIO (October 23 to November 21)

You might feel pressured to reveal a colleague's secret. But you can rely on your strong Scorpio sense of rectitude to help you continue to do the right thing.

SAGITTARIUS (November 22 to December 21) A pesky situation is still creating problems. But you are moving ahead with it, and it should soon be successfully resolved in your favor.

CAPRICORN (December 22 to January 19) A spate of indecision leaves you susceptible to doubt. But you'll soon regain your emotional sure-footedness and be back leading the way as usual.

AQUARIUS (January 20 to February 18) Love rules the week with new romances favored for single Aquarians looking for partners. Cupid also targets renewed commitment for wedded Water Bearers.

PISCES (February 19 to March 20) A surge of creativity keeps you happily busy throughout the week. But set aside some quiet time to share with loved ones. Some long-awaited news finally comes through.

BORN THIS MONTH: People rely on you whenever they need someone they can trust to be caring, considerate and also discreet.
